Fairview School will provide every 3rd, 4th, & 5th grade student with an assignment notebook.

A special calculator has been chosen for the district to use in **kindergarten through eighth grade**. Each classroom will have a set of calculators for student use during the year. The calculators will be district property, therefore they will not be sent home with students at the end of the school year. If a student damages or loses a classroom calculator, the student/parent will be responsible for the cost associated with replacing the calculator.
