A Note from Your Fairview PTO

Hello Fairview Families,

Just one more week until Winter Break! As we look forward to more time with family, we just want to extend a big **thank you** to all of the incredible teachers and staff for all that you do for our Fairview students—we can't say it enough! We hope you all get some well-deserved rest over the break!

Also, a huge thank you to everyone who donated superhero socks, coloring books, crayons, and drew Happy Pictures for the **latest Lemons of Love event**. The fifth graders packed *more than 400 bags* for children at various Chicagoland area hospitals! We appreciate all of the volunteers who came and helped the night of the event. Look for more opportunities to help our fifth graders support Lemons of Love throughout the rest of the school year.

Last but not least, a tremendous **thank you to Mrs. Loeffler**, the students, and everyone else who worked so hard to bring us the amazing winter concerts last week. It is so fun to see our students shine on stage. They were fabulous!

We hope everyone enjoys the break with family and friends. See you in 2020!

Kim Bondora and Carrie Krupa

Mark Your Calendar:

December 20

Special Lunch from Mr. Beef & Pizza

December 23 - January 3

Winter Break

January 17

Half Day of Classes

January 20

January 30

Fairview Follies

A Few Announcements:

FAIRVIEW FOLLIES TALENT SHOW IS RIGHT AROUND THE CORNER!

All students came home with a Fairview Follies packet this week. The packet includes the audition and permission forms. Please pay close attention to the dates when those forms must be returned. No late forms will be accepted.

Leapin' into Literature READERS WANTED!

The PTO has purchased more than 60 new books to be donated to the LRC. We are looking for parents to come and read the new books to their child's class in February. Readings take place during lunch recess, and **younger siblings are welcome to attend!** We will send out a sign-up schedule in January. If you are interested in reading, please contact Jen Wakolbinger (jenwakol@hotmail.com) to be added to the volunteer list. Thanks!

District 57 is looking for SUBSTITUTE NURSES

All RNs will be considered for this position. Inquiries can be directed to the District 57 HR Office at 847-394-7300 x1010. Applications can be found on the District 57 website (www.d57.org) under "Employment Opportunities."

Forward Friday December 20th	 Dress up in your HOLIDAY BEST & remember the REASON for the SEASON. 	Pay it Forward and make a difference!

FROM NURSE BRUNNING

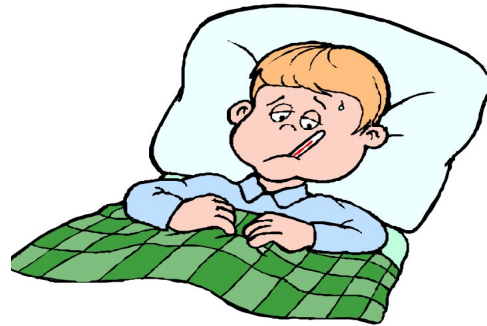

If your child has been diagnosed with strep or flu please let the front office know.

Students need to be diarrhea free, vomit free, and/or fever free (under 100.0 without fever reducing medicine) for 24 hours before returning to school.

It is cold and flu season so please review the importance of hand washing with your family. Hand washing is the easiest and best way to stay healthy.

Wash Hands

- Before eating
- After you have been out in public
- Before cooking
- After using the bathroom
- After playing with pets

I hope you and your family stay healthy this winter.

Do I have the “FLU” or the “FLU”?

Influenza is an infection caused by a virus that attacks your nose, throat and lungs. Influenza, commonly called the “flu”, is not the same as the stomach “flu” which causes diarrhea and vomiting. The stomach “flu” is also caused by a virus (often norovirus or rotavirus), but not the same family of viruses that causes influenza.

There is no vaccine available to prevent the stomach flu, but a vaccine is available every year for influenza. The vaccine may entirely prevent someone from getting influenza, or it can prevent someone from getting a very serious case of influenza even if they do end up getting sick.

Symptoms of stomach flu include vomiting and/ or diarrhea and sometimes (but not always) a fever. Symptoms of influenza include sudden onset, sore throat, cough, muscle aches, headache, fatigue, and fever.

Whether your child has the “flu” or the “flu”, students need to stay home for 24 hours after an episode of vomiting, diarrhea or a fever over 100 degrees. Your child may be feeling better, but they are still contagious and can expose other children and staff to their illness.

For more information on influenza: <https://www.cdc.gov/flu/index.htm>

For more information on norovirus: <https://www.cdc.gov/norovirus/index.html>
