Dear District 57 Families,

The District 57 Board of Education is seeking applications to fill a vacancy left by the resignation of Member Kevin Bull, who is moving out of state. We are grateful for Kevin's service to District 57 and wish him and his family the best.

The board will appoint someone to fill his seat within 60 days. The appointee will serve until the next general election in April 2023, at which time the seat will be added to the ballot for a two-year term. Those interested in being considered must submit [an application by clicking here](#) and email a resume to Mrs. Roberta Flack (rflack@d57.org) by 8 a.m. on Monday, February 28, 2022. Finalist interviews will be conducted in closed session at the board's March 3 meeting. The board intends to appoint a new member at its March 17 meeting.

Sincerely,

Eileen Kowalczyk, President
District 57 Board of Education
