Dear Fairview Families,

Today at Fairview School, we held our third annual Fairview Expectations Rotations Day. In previous years, the Fairview staff has always taught students about what is expected of them throughout their school day. Typically, this had been done in classrooms using the Fairview School Expectations matrix as a guide. This matrix is included in today's packet for you to view if you'd like to have conversations with your child about our expectations across their school day. This year, we tried something new in terms of teaching expectations. We had our 4th and 5th grade students who have a strong understanding of what is expected at Fairview teach our 2nd and 3rd graders. This provided our older students with an excellent leadership opportunity, while helping our younger students understand what is expected at Fairview. It also helped us with one of our school improvement goals for this year where we set out to increase opportunities for students to intentionally interact with other students outside of their homeroom class. We hope to continue these interactions throughout the year by having classes match up as buddy classes to learn together periodically throughout the year.

Last week at Fairview was our annual safety week. All students practiced one safety drill each day throughout the week. This included two evacuation drills, a shelter-in-place drill, and a hard lock down drill. Our bus evacuation drill had to be rescheduled for a later date, but that will happen in early October. Take a moment to talk with your child about the importance of practicing these drills and ask them how they went. It might even be a good time to review your plans at home regarding what you would do in the event of an emergency. We thank the Mount Prospect Police and Fire Departments for their assistance with these drills.

I wanted to inform parents of two exciting district-wide opportunities that are coming up in the coming months. First, the District 57 Education Foundation would like to remind everyone of the Fall Fundraiser event on Friday, October 18th. It's a parent night out at Station 34! Tickets are only \$35 when purchased online in advance (\$40 if purchased after October 10th). Tickets include food and drinks and can be purchased by visiting the D57 Education Foundation website at [www.57edfoundation.org](http://www.57edfoundation.org). All proceeds go to fund grants which improves all of our students' educational experience. Please visit the website above for more information about the event and organization as a whole.

In addition, our district technology coaches are hosting an exciting opportunity for parents to learn all about keeping kids safe, happy and healthy in the digital age. On Thursday, October 24th starting at 6:30 p.m. in the Fairview Multi-Purpose Room, they will be hosting an informational session designed specifically with parents in mind. Please see this flyer for more information. We hope you can come out to learn more about such an important topic for parents of children living in today's technology immersed world.

I hope your child has enjoyed the first month of the school year. It is hard to believe that we started up a month ago already! We have really been enjoying working with your children each day and look forward to all that lies ahead in the months to come. Have a nice weekend!

**NO SCHOOL  
MONDAY, SEPTEMBER 30**

Our lunchroom does not have a supply of utensils for students. If your child has something in their lunch that requires a spoon or fork, please remember to pack one in their lunch box.

If possible, please avoid sending glass containers in your student's lunchbox.

Also, please write your child's name on their lunchbox in permanent marker so if it gets lost, it can easily be returned to him/her.

A simple way to help fund special programs at Fairview is by clipping box tops and scanning your receipts through the new Box Tops App. Attached is more information on how the Box Top Program changed over the

summer and how to add your child's name and teacher when scanning your receipts. Monthly contests will be starting soon, so keep scanning, clipping and including your child's name on your submissions!!

**BUS RIDERS**

Attached to this packet is a form that you can print out for those times that your student will not be riding the bus home. Just fill it out and send it to school with your son or daughter. ***Remember, if we don't have a note stating your student will not be riding the bus, we will put them on the bus at the end of the day.***

**Be in the know...District shares information from local organizations**

District 57 families are fortunate to live in a community that offers so many opportunities for children! Please see the flyer in this week's packet that provides links to information about upcoming registration deadlines and events. # Please join.... Your Fairview PTO!

The Fairview PTO is an inclusive organization that serves to enrich the lives of the students and staff at Fairview while supporting the education of all students. We welcome *all* Fairview adults to join our PTO and take on as big (or as small!) of a role as they would like in our organization. Please join us! **What does the PTO do?** A lot! We plan assemblies; host events like Boo Bash, the Science Fair, and the Fun Fair; volunteer in the LRC; give out free things (like birthday books and ice cream!); support and recognize the faculty; raise funds for school events; read to students through Leaping Into Literature; plan special lunches; and SO MUCH MORE! We have volunteer opportunities that fit with even the busiest schedules. Signing up to volunteer is easy, just complete the short survey at <https://tinyurl.com/FairviewPTOVolunteer>.

## **No-Stress Fundraiser! – Select your own dues!**

In the past, the PTO has typically run a fall fundraiser which raised the majority of the funds for the PTO budget. However, again this year, we are running a *no-stress fundraiser* as part of our membership process. Instead of asking parents to sell raffle tickets, collect donations, or sell products, we are asking you to make a donation to join the PTO. **If every family can donate \$25, \$50 or \$100** we can fully fund the PTO budget without spending money on raffle prizes, giving a percentage to a sales company, or using our volunteers' time coordinating a separate event. The list on the right helps explain what your PTO funds are used for; all of the money stays within our school community and directly benefits our students!

**SPECIAL PTO MEMBER BENEFIT!** One of the many benefits of joining the PTO is receiving access to our Fairview directory app! With the directory app you will be able to easily access contact information for Fairview families. This is a must-have for planning playdates and birthday parties. **Only PTO members** will receive access to the directory app (no printed directory will be distributed).

If you have any questions, please contact Kim Bondora ([bulzfan1021@yahoo.com](mailto:bulzfan1021@yahoo.com)) or Carrie Krupa ([carolynekrupa@gmail.com](mailto:carolynekrupa@gmail.com))

Mount Prospect students are encouraged to design a poster using this year's theme. Students may enter the contest through their school or individually if their school elects not to participate. For more information on the theme, please visit the NFFPA website, [www.nfpa.org/public-education/campaigns/fire-prevention-week](http://www.nfpa.org/public-education/campaigns/fire-prevention-week)

**Entries are judged on originality, creativity and use of theme.**

All entries will receive a participation ribbon; however, a first, second and third place winner will be chosen from each grade level. All of the first place winners will then proceed to the Village-wide contest, with the final winners receiving an award from the Mayor at an upcoming Village Board meeting.
