The Mt. Prospect Public Library.

Hello my name is Laura. Today I'm going to talk about the Mt. Prospect public library. The library is next door to city hall. You can go to the library by walking, biking, and driving. The library has a space to put your bike and a parking lot. There's a place to return your books in the entrance. You can get all kinds of books at the library from chapter books to picture books. There's books for kids and books for adults. The library has lots of fun activities for kids. It also has a play area for little kids and also some snack tables. The library has two floors. The first floor has mostly books for kids. The second floor has mostly books for adults. And in summer it has a summer reading program where you read and fill in a sheet and you can win prizes. The best part of the library is that it has books for everyone. Thank you for reading.

Reporter, Shami

Hi. my name is Shami. I am in Journalism Club because I love to write or just make up my own stories with writing. This was my first option for choosing a club, but on top of this hobby I love skincare. I do my skincare everyday but...that's a little off topic so let's get back to the writing and other stuff. One thing about me is that I am kind, caring, and passionate. I am in Mrs. Saukofakis's class this year in 4th grade. I know right. I had Mrs. Lambert last year as a teacher. This is Shami signing out.
