Grayson and Luke

In this issue, you will have the pleasure to read some original poetry, comics, and interesting articles. Additionally, you'll find a fun challenge at the end of our issue. Have you ever wondered what the teachers keep in their desk drawers? You'll have a chance to make your best guess, and then we'll reveal the results in next month's issue! Click on the link at the end of this month's issue!

New years

By Anna

Everyone knows about New Years, right? For New Years we almost always stay up to 12:00, but when did New Years start? It started in 2000 bc when you would work off your bad habits. Today people have different ways of celebrating new years

Winter Warming

By Lucas Dand Angela

*Winter season has come around,
with snowflakes in the air
But besides the weather warning,
the snow's not even THERE.*

*Here's some weather tips,
to help you stay cozy,
But make sure these tips are safe
inside,
Before your friends get nosey.*

*Number 1, Hot chocolate,
With marshmallows galore,
And when the cup is empty,
You've got to make some more!*

*Number 2, Warm blankets,
With red velvet soft,
good for when you have a cold,
You'll forget you ever needed*

VALENTINE DILEMMA

By Lucas D. and Angela B.

FEBRUARY'S HERE AGAIN,
THAT CAN ONLY MEAN ONE THING,
VALENTINES CARDS AND PAPER HEARTS
HUNG UP WITH SOME STRING.

TIME FOR SOME CLASS VALENTINES
BEING PASSED AROUND,
PEOPLE PUTTING CARDS IN BOXES
SITTING ON THE GROUND

I ONLY HAVE FOUR CARDS NOW,
I HAVEN'T GOT FIVE YET,
THE GIRLS AREN'T EVEN LOOKING AT ME,
NOW I'M STARTING TO FRET.

FIVE MINUTES LEFT FOR VALENTINES,
I'M STARTING TO GET MAD,
ABOUT THE FOUR SINGLE CARDS IN MY BOX,
AND THE ONE I HADN'T HAD.

BUT THEN THE CLOUDS ARE LIFTED,
AND A GIRL COMES AND SAYS "HEY."
AND SHE DROPS A SILVER CARD IN MY BOX,
AS I YELL, "HOORAY!"

MAP Testing &

PARCC Testing

For many kids MAP and PARCC testing is the low point of the year. But MAP and PARCC testing are not all that bad.

For one PARCC testing reflects how much your teachers have taught you. So if you do good, it shows your teachers teach well.

For another thing MAP testing is testing you on which classes you will get in next year. For Fifth graders MAP testing is one of the most important events all year!

So you see that MAP and PARCC testing are not all that bad. But just remember next year whatever class you get into is all because of MAP.

Best of 2018!?!

Remember 2018? Well here are some of the best parts.

How about assemblies ,like the Brian Pickle assembly,

Kid rock#Vern the bird.Diary of a Wimpy

Kid the Meltdown came out. The

Book fair was good. Boo Bash... that was fun! The first day of summer was epic for everybody.

What Do You Do on a Cold Winter's Day?

By: Maeve

What do you do on a cold winter's day?

Do you decide to go out and play?

Or do you go inside to stay?

Would you like to go out and play in the snow,

And make a snowman, like everyone knows?

Or would you go and venture out

Find out what Earth is all about?

Finally, when spring comes,

Refreshing air in your lungs,

You feel a new beginning

Arising in the blue bird's singing.

Alison's New Years Day

Every year on new years' eve Alison's family watches movies. Alison asked to go to the library to get a lot of movies to watch tonight. Her parents looked at each other in a disappointed way. " Sorry honey. Not tonight." Alison was so confused. "Okay."

NEW YEAR'S EVE

11:00

Pet Peeved

By Lucas and Angela

*"It's about time I get a pet"
I say to my pet hater mother,
She doesn't like any living thing
Any that I could smother.*

*I've asked my mom for a pet
Since I was merely four,
I've asked her for a pet since then
But she kept shutting the door.*

*I awoke the next morning
And then I looked around,
And then I see something moving
In a big box on the ground!*

*I opened the box with my mother
I can't believe what I see
A bird, a cat, a dog, a hamster
All looking at me.*

*I have to clean the litter box
And take the dog outside
The bird is flying 'round the house
I just want to hide*
