

You have two options when driving your child to school.

- 1) Drop off at a “Kiss and Go” area.
- 2) Park further from the school and walk your child to the door. You may park south of Council Trail on School Street, south of Council Trail on Elm Street, east of School Street on Council Trail or West of Elm and painted yellow curb on Council Trail.

When students walk/ride bikes to school, we have crossing guards after 8:35 on Council Trail and School Street and Council Trail and Elm Street. Bikes should be walked on school grounds.

Buses will unload in the driveway on School Street. Please do not block the driveway during arrival and dismissal.

These are “Kiss and Go” lanes. **Parking is not allowed.** You may pull up to drop your child off. Driver must stay in car. These are on School Street, Council Trail and in the parking lot. Please pull all the way up.
