Happy St. Patrick's Day !

Principal's Message . . .

Dear Lincoln Families,

Yesterday, Mrs. Atkinson sent emails to those families who have not yet ordered a yearbook. Please consider placing an order for your child. We know how much students love to have their own yearbook at the close of the school year and we want to get an accurate order in to the vendor as soon as possible.

I want to take this opportunity to remind parents that the west parking lot can not be used for student drop-off and pick-up. I noticed a car backing out the other morning after dropping off students as our buses were trying to maneuver both in and out of the lot. The lot is meant for employees and for visitors signing in at the front office. Student safety is our priority, and added congestion in the west lot must be avoided. Thank you, and I appreciate your cooperation and courtesy.

Enjoy the weekend,

Paul Suminski

EDUCATION FOUNDATION

Share the Dream

The District 57 Education Foundation is a non-profit organization comprised of Mount Prospect community

members whose mission is to raise money to fund grants in the areas of curriculum, wellness, and technology. Grant requests may be written and submitted by district teachers, staff, and parents. The grants enrich the educational experiences of all students, helping them to achieve at their highest potential. Funded grants allow teachers to have access to the resources they need to support teaching and learning at Westbrook, Lions Park, Fairview, and Lincoln schools.

Over the years, the Foundation has funded computers, iPads, ELMO projectors, Smartboards, musical instruments, art supplies, fitness equipment, and supplemental reading material - all to enrich our children's educational experiences. We are currently in the Spring Grant Request Cycle. A description of the grant request submission process and form is located within the Grants section of our website at <https://www.57edfoundation.org>

Grant requests for this cycle are due by April 15 to the Ed Foundation at d57educationfoundation@gmail.com

Parent community members who are interested in submitting a grant request should contact the school principal to which the grant will benefit. The Ed Foundation will review all requests at our May meeting. Please contact the Ed Foundation at d57educationfoundation@gmail.com with any questions.

Thank you for your continuous support of the D57 Education Foundation.

An important message from Mr. Steen about standardized testing:

The Illinois Assessment of Readiness (IAR) is the new state assessment that replaces PARCC. The IAR will be taken at Lincoln between March 11 and March 21 based on your child's grade. Make-ups will be conducted upon our return from Spring Break.

6th Grade: March 18 (Math Periods 3-4 and ELA Periods 7-9)

7th Grade: March 19, 20, 21 (Math Periods 2-3 and ELA Periods 6, 8, 9) Periods 6 & 7 will be flipped for the entire school on these days. Lunch periods are flipped also.

In addition, all eighth grade students are also required to take the Illinois Science Assessment (ISA).

ASK THE OFFICE LADIES . . .

Question: Does a parent or guardian have to let the office know if they have made arrangements for an emergency contact to pick up their son or daughter?

Answer: Yes! Adults listed as your emergency contacts may remove your son or daughter from class during the school day - but only if the parent/guardian has notified the front office. The school must be able to document that the parent/guardian has knowledge of their child's dismissal during the school day. Also, as much as we try to remember everyone, please do not be offended if we ask for identification before releasing a student to an adult.

Question: Can you please remind me how the activity bus works?

Answer: **Only paid bus riders** may ride the activity bus. The activity bus route runs on Tuesday, Wednesday, and Thursday. The bus departs at approximately 4pm.

Students competed in the
Illinois Council of Teachers of Mathematics (ICTM)
contest, and our school earned 6th place
out of 59 schools for the first contest!
