# Roll-a-Word

Choose six Buzz Words to practice.

Write one word in the first empty box above the dice. You are now ready to play!

1-Roll a die.

2-Read the number.

3-Read the word written above that number.

4-Practice spelling the word in your head and then write the word in the next empty box in the column.

5-Play until time is up, or until one word reaches the top!

Which word did you roll the most?

Which word did you roll the least?

Did you roll any words an equal amount?

6-Play again. This time choose new words to practice!
